## Men And Woman Dance Before Nude Body of Girl.

Los Angeles, Cal., September 30.—As a result of a ceremony, the feature of which was the frenzied dancing of men and women before an open air altar on which the nude body of a dead girl was exposed for four days and nights, the city authorities have been asked by Eighth Ward residents to expel the members of a Russian sect which is said to combine all the objectionable practices of the Doukhobers and other fanatical emotionalists.

The ceremony complained of ended after the protests had become so insistent that the members of the sect were compelled to bury the body of the girl which had become blackened by long exposure.

In reply to complaints of the neighbors, the Russians explained that the ceremony, with its shrieks and dancing, was a way of mourning for girls who died on the threshold of womanhood.

The republicans began the fight on the night rider issue and before the election comes they will hear more about their own party's connection with it than they expected. The notorious Dr. Amos is and always has been a republican and in company with other republicans he has been accused of organizing this county. Perhaps Hugh Lyon could throw some light on this subject. If he can the Caldwell News will print it, and if not, then we will.—Lyon County Herald.
